Thank you for making homeless families feel welcome in their new home. Families often arrive after living in a car, tent or even a garage. With a stable home, they can get back on their feet. By providing a welcome basket, you are helping them to feel safe and cared for. Thank you!

To schedule a Welcome Basket drop-off, please call 425-228-6356 or email [info@vision-house.org](mailto:info@vision-house.org).

\*Indicates a high need.

\*\*Must be a full-sized bottle.

All items must be new and unopened.

...until **every** child has a home.
